Data section

I will use the Foursquare API to collect data about locations of Art Gallery locations in Toronto. See Data Sources below:

Data Sources

- https://en.wikipedia.org/wiki/List_of_postal_codes_of_Canada:_M - data sources for Toronto neighbourhoods and postal codes, which allows to make an interactive map used further in the project

- https://cocl.us/Geospatial_data - csv file provided by Coursera in order to get geolocation coordinates

- https://developer.foursquare.com/docs - source for various locations in Toronto and recommendations
